Beef Carpaccio With Fresh Salad

Serves 4

8 oz. (230g) beef tenderloin (fillet)
¼ cup (30g) pine nuts
½ lemon, zest & juice
2 tbsp. mayonnaise
½ tbsp. olive oil
¼ cup (25g) Parmigiano Reggiano, grated
2 oz. (60g) mixed salad leaves
handful basil leaves
salt & pepper

What you need to do

1. Wrap the beef tenderloin tightly in cling film and place in the freezer for 30 minutes. The meat should not freeze, but it will become firm, you will then be able cut it easily into wafer thin slices.
2. Meanwhile, heat a dry frying pan and roast the pine nuts for 3 minutes. Keep tossing them in the pan to avoid burning, the nuts are ready when golden brown in color. Then set aside the pine nuts to cool.
3. Create a dressing by mixing the mayonnaise with the lemon zest, lemon juice and olive oil. Season with salt and pepper to taste.
4. Once ready to serve, remove the beef tenderloin from the fridge and cut into thin slices with a sharp knife. Divide the beef between the 4 plates. Drizzle with the dressing and scatter over the parmesan cheese. Top each plate with salad leaves and basil, and finally sprinkle over the roasted pine nuts.

- 14 oz. (400g) parsnips
- 1 medium onion
- 2 garlic cloves
- 4 sprigs thyme
- 2 tbsp. olive oil
- 1 tsp. ground cumin
- 4 ¼ cups (1L) vegetable stock
- 3 oz. (85g) pancetta
- 4 tbsp. oat cream

What you need to do

1. Peel and cut the parsnips into small pieces. Chop the onion and finely slice the garlic. Remove the leaves from the thyme sprigs.
2. Heat the oil in a large pot and fry the onion and garlic for 1 minute. Add the parsnip, half of the thyme leaves and the ground cumin, fry for another 2 minutes. Add the vegetable stock and bring to the boil, then lower the heat and simmer gently for 10 minutes.

4. Remove the soup from the heat and puree to a smooth consistency with the hand blender. Season with salt and pepper to taste.
5. Divide the soup between 4 bowls and spoon 1 tablespoon of oat cream into each bowl creating a swirl in the middle. To serve, sprinkle with the pancetta crumbs and the remaining thyme leaves.

Stuffed Pork Tenderloin

Serves 8

- 2.2 lbs. (1kg) pork tenderloin
- 2 tbsp. of salt
- ½ cup (40g) dried apricots and prunes
- 1 tsp. dried thyme
- 1 tsp. dried oregano
- 1 tsp. paprika
- 1 tsp. ground black pepper
- 1 tsp. salt
- ½ tsp. ground turmeric
- 2 tbsp. olive oil
- ⅔ cup (160ml) vegetable or chicken stock
- 1 orange, juiced
- 4 cloves garlic

For the sauce:

- 1 tsp. honey
- 2 tbsp. potato starch

What you need to do

1. Wash the pork and place it in a container. Add 2 tablespoons of salt, and cover with cold water, stir until the salt dissolves. Cover the dish and place it in the fridge overnight.
2. Preheat the oven to 360°F (180°C). Remove the meat from the brine, dry it and use a narrow, sharp knife to punch through the center of the meat to create a tunnel. Stuff the pork with the apricots and prunes, pushing the fruits in through the slit made with the knife.
3. Season the pork with the spices and herbs (thyme, oregano, paprika, pepper, salt and turmeric), and rub with the olive oil. Place in a hot frying pan and fry on each side for a few minutes.
4. Place the prepared pork into an ovenproof dish and pour in the orange juice and stock. Add in the garlic and cover tightly with kitchen foil. Place in the oven and cook for 1 hour.
5. Remove the pork from the oven and take off the kitchen foil. Let the pork rest for 10 minutes.
6. In the meantime, remove the garlic from the leftover stock, transfer the stock into a small saucepan and bring to the boil. Add the honey and potato starch, simmer gently, stirring often, for 5 minutes until the sauce has thickened. Season with salt and pepper and serve the sauce along with the pork.

Beef Wellington

Serves 8

1.3 lbs. (600g) beef tenderloin (fillet)

1 oz. (30g) unsalted butter

9 oz. (250g) chestnut mushrooms, finely chopped

¼ cup (20g) parsley, leaves only, chopped

2 tbsp. chives, chopped

6 oz. (180g) Parma ham

9.5 oz. (270g) ready made puff pastry

1 egg, yolk only

salt & pepper

What you need to do

1. Preheat the oven to 400°F (200°C). Pat dry the beef tenderloin with kitchen paper and sprinkle with salt and pepper. Heat half of the butter in a frying pan, over a medium heat, and brown the meat all over. Remove the beef from the pan and set it aside to cool on a plate.
2. In the meantime, finely chop the mushrooms, parsley and chives. Heat the remaining butter in a frying pan and fry the mushrooms over a medium heat until the moisture has evaporated from the mushrooms. Mix in the parsley and chives and season with salt and pepper. Set aside and leave this mixture to cool to room temperature.
3. Place the slices of Parma ham next to each other in 3 rows onto a piece of cling film measuring 12x16 inch (3x40cm). Overlap the slices of ham slightly. Spread the mushroom mixture over the ham and place the beef tenderloin on top. Using the cling film, roll the ham tightly around the tenderloin.
4. Roll out the puff pastry on baking paper and place in a baking tray. Remove the beef tenderloin from the cling film and place in the center of the pastry. Fold the pastry into a package around the beef and let the edges overlap by 1 cm. Cut off any excess pastry and press the edges down well to seal. Carefully turn the beef Wellington over so that the seam of the pastry is on the bottom of the tray.
5. Beat the egg yolk and brush it over the top of the beef Wellington with a pastry brush. Bake the beef Wellington for approximately 35 minutes in the middle shelf of the oven, or until the meat thermometer inserted into the center of the beef indicates an internal temperature of 120°F (50°C).
6. Remove the beef Wellington from the oven and let it rest for 10 minutes with some kitchen foil placed loosely on top. Use a sharp knife to cut the Wellington into thick slices at the table and serve immediately.
